

Intimate Thoughts... Love, Me is a collection of thirty original poems that describe the account of a relationship including its beginning, its challenges, and its eventual demise. Follow Kelvie Tyus, Jr. through his times of heartbreak, emotional separation and despair. Many of the poems have a spiritual as well as romantic theme told in various styles of poetry including free verse.

Kelvie began capturing his thoughts on spirituality, love and loneliness, as a means of coping with many of the events taking place in his life. Eventually, these writings turned into his first published work, *Intimate Thoughts... Love, Me*.

Kelvie Tyus, Jr. resides in Cleveland, Ohio and is the parent of a 10-year-old girl, Kristen. Kelvie has been an information technology professional for twenty years.

Kelvie occasionally performs his poetry in several venues in the northeast Ohio area.
